cellular_component
cell
native cell
eukaryotic cell
somatic cell
animal cell
hematopoietic cell
bone cell
precursor cell
hematopoietic precursor cell
bone marrow cell
stem cell
hematopoietic lineage restricted progenitor cell
hematopoietic oligopotent progenitor cell
bone marrow hematopoietic cell
somatic stem cell
myeloid lineage restricted progenitor cell
hematopoietic oligopotent progenitor cell, lineage−negative
hematopoietic stem cell
myeloid cell
CD7−negative lymphoid progenitor OR granulocyte monocyte progenitor
Kit and Sca1−positive hematopoietic stem cell
mast cell progenitor
granulocyte monocyte progenitor cell
long term hematopoietic stem cell
short term hematopoietic stem cell
Fc−epsilon RIalpha−low mast cell progenitor
Kit−positive granulocyte monocyte progenitor
CD4−
CCR7lo
